CRS Building Corporation Awarded Cherokee County Fire Station 6

Atlanta, Georgia- The Cherokee County Board of Commissioners has approved the contract for CRS Building Corporation to construct the Cherokee County Fire Station 6 at 3396 Land Road in Canton, Georgia. This 10,238 sq-ft Fire Station includes an apparatus bay, storage rooms, locker room, training room, exercise room, offices, kitchen, dayroom, dining, restrooms, and bunk rooms. The Fire Station is designed by JKH Architects located in Dalton, Georgia. The proposed construction of the Fire Station will sit on approximately 2.5 acres of land with CRS Building Corporation also responsible for the completion of site work, curbs, sidewalks, paving, landscaping, and fencing.

Construction will begin at the end of this month and is expected to be completed by June, 2010. When completed, this Fire Station will continue to strengthen Cherokee County's emergency response time. CRS Building Corporation is excited to be part of this project and looks forward to a completed project that everyone can be proud of.

CRS Building Corporation is an experienced, innovative, and dependable family owned General Contractor fully committed to building quality commercial projects and ensuring the highest level of customer satisfaction. Serving their clients with offices in Atlanta and Tampa Bay, CRS Building Corporation provides experience and expertise as a full- service General Contractor, Construction Manager, and Design/Build Service Provider for proposed commercial buildings.
