February 17, 2009

### CRS Building Corporation Awarded Gwinnett County Fire Station 30

Atlanta, Georgia- The Gwinnett County Board of Commissioners has approved the contract for CRS Building Corporation to construct the Gwinnett County Fire Station 30 at 1052 Ozora Road in Loganville, Georgia. This 12,806 sq-ft Fire Station includes bunk rooms, restrooms, fitness room, kitchen, dining, day room, apparatus bay, community classroom, offices, turn out, mud room, and storage rooms. The Fire Station is designed by Lindsay Pope Brayfield & Associates located in Lawrenceville, Georgia. The proposed construction of the Fire Station will sit on approximately 15.23 acres of land with CRS Building Corporation also responsible for the completion of demolition, site work, curbs, sidewalks, paving, landscaping, and irrigation.

Construction will begin at the end of this month and is expected to be completed by November, 2009. When completed, this Fire Station will continue to strengthen Gwinnett County's emergency response time. CRS Building Corporation is excited to be part of this project and looks forward to a completed project that everyone can be proud of.

CRS Building Corporation is an experienced, innovative, and dependable family owned General Contractor fully committed to building quality commercial projects and ensuring the highest level of customer satisfaction. Serving their clients with offices in Atlanta and Tampa Bay, CRS Building Corporation provides experience and expertise as a full- service General Contractor, Construction Manager, and Design/Build Service Provider for proposed commercial buildings.
