CRS Building Corporation Completes Gwinnett County Fire Station 30

Atlanta, Georgia- CRS Building is proud to announce the recent completion of the Gwinnett County Fire Station 30 at 1052 Ozora Road in Loganville, Georgia. Construction commenced earlier this year in February and was completed in less than 9 months from initial mobilization to final completion. This 12,806 sq-ft Fire Station includes bunk rooms, restrooms, fitness room, kitchen, dining, day room, apparatus bay, community classroom, offices, turn out, mud room, and storage rooms. The Fire Station was designed by Lindsay Pope Brayfield & Associates located in Lawrenceville, Georgia. The building sits on approximately 15.23 acres of land with CRS Building Corporation also completing the demolition, site work, curbs, sidewalks, paving, landscaping, and irrigation.

CRS Building Corporation is an experienced, innovative, and dependable family owned General Contractor fully committed to building quality commercial projects and ensuring the highest level of customer satisfaction. Serving their clients with offices in Atlanta and Tampa Bay, CRS Building Corporation provides experience and expertise as a full- service General Contractor, Construction Manager, and Design/Build Service Provider for proposed commercial buildings.
