### Ribbon Cutting Ceremony Held For Loganville Fire Station 3

Atlanta, Georgia- On June 30, 2009, the Loganville Fire Station 3 located at 180 Old Loganville Road was officially opened during the Ribbon Cutting Ceremony. Construction commenced at the beginning of this year in January and was completed within 6 months. This 6,316 sq-ft, 2 Story, Fire Station includes engine bay, decontamination room, hazmat room, gear wash room, exercise room, storage rooms, restrooms, community room, offices, day room, kitchen, and bunk rooms. The Fire Station was designed by Carter Watkins Associates Architects located in Monroe, Georgia. CRS Building Corporation was proud to be part of this ceremony and play an integral part in reducing the response time for emergencies in the city of Loganville.
